J+A FANCIES

We love J+A Fancies. We were lucky enough to receive a master class from master baker Tino Cassoni of Cassoni's Bakeries Co. Wicklow, Ireland 1970-2008. Tino's top secret recipe has been passed onto J+A by Tino himself. He has had a large following since the 1970s, including J+A.

These Fancies are super sweet, pretty and colourful and are a memorable way to mark any occasion. Suitable just as an afternoon treat or as an alternative to a traditional birthday cake.

J+A Fancies are becoming increasingly popular at wedding celebrations and are a super cute gift in a patterned J+A Cake box with a colourful ribbon.
