## Food

Whether it be a sit down or a more informal buffet we create a delicious and aesthetically inviting spread of food for your guests. Seating plans vary depending on numbers. If it is not a 'sit down' you are after and more of a 'shindig' we can offer a finger buffet, the meal is served bite size and guests can graze throughout the party. This has proven very popular and successful for larger wedding parties where the bride and groom wish to rebel from convention. Menu selections and quantities must be confirmed one month prior to your party. We do not allow guests to bring along their own food. Wedding Cakes are the only exception with a 'cakeage' of £1 per head.

## Refreshments We have got an extensive wine, beer and beverage list

and we try our best to meet special requests where possible. Please see our menus. We will work closely with you to help select the right beverages and quantities for your party. All alcohol consumed must be purchased on the premises. We do not offer a 'corkage' option at J+A.

## Decoration

We love the simplicity of the building with its beautiful exposed brickwork and its beautiful big original windows. Handcrafted Irish pottery jugs of fresh seasonal flowers and pillar candles are scattered thoughtfully throughout. Festoon lights and white bunting decorate the outside courtyard.

Where you are welcome to bring along balloons and any other personal decorations we do ask that you remove these at the end of the party. Please no confetti or glitter. With all party bookings a standard party decoration is included. We try our best accommodate special flower requests, especially for weddings. We do all of our arrangements in house with fresh from the flower market.
